Rec Clean-Up

Come on out April 8th, 9th & 10th and help us get our Rec ready for the coming season.

This will be a 3 day event.

Sign Up for your favorite activity on our website.

There are many fallen branches, leaves and other debris from this past winter that will need removed. The baseball field needs attention and we are planning on a BIG load of mulch that needs to be spread around the playground. The paths through the wooded areas could use some TLC along with clearing out fallen trees. The benches in the play ground area will be sanded and painted as well as some of the 6x6 boarded will be replaced prior to April 10th.

The 10th will also be an opportunity to verify your membership status, meet your new board and discuss the upcoming projects at the Rec with any of us. We have many brand new board members, a few returning from last year and many years ago.

We truly look forward to doing this with our village and to maintain a safe and fun environment.

Please go to our website, sign up to volunteer, helping your village!

 **Rain date:**
April 17th 

It would be helpful if volunteers could bring any of the following:

- rakes
- shovels
- leaf blower
- weed wacker
- chainsaws

Do you love hosting parties?

Be the Change

You have been heard!

Your NEW 2021 board has taken the input from the 2020 opinion survey, regarding motorized recreational vehicles at the Rec. Please know we are investigating next steps.

Stay tuned and stay safe, more to come.

It takes a village

Last month we listed the MVCA board members. Stay tuned as our goal is to load past newsletters on our website www.McKnightVillage.org

This month, we are acknowledging additional volunteers that serve on various committees.
