

2022 MVCA MEMBERSHIP DRIVE

MVCA membership is an annual membership that runs on the calendar year.

With \$50 a year, each household in McKnight Village is eligible to own a share of the Rec and provide a portion of the critical core support for fees associated with ownership. Membership in the MVCA also provides for reduced event fees at various community events and reduced rec rental fees.

We have begun sharing our newsletter and event information via email, please be sure to provide an updated email address. For those who no longer live in our village but still wish partake in events and support the MVCA, we invite you to still join.

You may choose to pay on-line by going to www.mcknightvillage.org. If you choose to pay on-line, we ask that you include your information in the "NOTES" section; therefore, we can keep your contact information current.

*****March 15th is the last day of our membership drive to avoid late fees*****

Playground Update

A meeting was held at the Rec on Thursday, Oct. 21 to begin a conversation about the aging playground equipment.

A representative from Bluegrass Recreation Sales and Installation presented some alternatives to consider.

It was decided to form a playground committee to study the issue further and make a recommendation to the MVCA membership in early 2022. Luke Miller volunteered to head this new committee.

Do you have kids under age 12?
