## REC CLEAN UP

Due to the amount of work needed at the REC this year,  
we are planning on two days of clean up

**Saturday April 13th and Sunday April 14th.**

(Rain days 4/20 & 4/21)

Approximately 13 trees were removed from the REC property. Mack Suto did a fantastic job. Tim Suto even made us benches out of the larger logs!

There is a lot of wood that needs to be split so we can use it for the firepit area. A log splitter is being rented so please come lend a hand. Besides this project, we have other important clean up projects (big and small) that need volunteers to come lend a hand.

## ***GENERAL MEETING RECAP***

**In March the Board held their annual public meeting. This was a time for neighbors to vote in the current board and discuss general topics concerning the neighborhood. Unfortunately there was a very small turnout at the meeting. In addition to the work done by the board to maintain the Rec and hold our yearly events, this work could not be done without the numerous neighbors who volunteer to help. It truly does take a village to make this an amazing neighborhood. Please consider giving a few hours a month and getting more involved in your community. Your help is what makes McKnight Village the community that we know and love.**
